

ENCLOSURE A

EPA SECTION 308 INFORMATION REQUEST

Instructions

1. Please provide a separate narrative response to each and every Question and subpart of a Question set forth in this information request.
2. Precede each answer with the number of the Question to which it corresponds.
3. For each document produced in response to this Information Request, indicate on the document, or in some other reasonable manner, the number of the Question to which it responds.
4. You must provide the information requested even though you may contend that it includes confidential business information (CBI) such as trade secrets. You may, if you desire, assert a CBI claim covering part or all of the information requested, under 40 C.F.R. § 2.203(b), by attaching to such information at the time it is submitted, a cover sheet with the words “trade secret,” “proprietary,” or “company confidential” stamped or typed on it. Information covered by such claim will be disclosed by EPA only to the extent, and only by means, of the procedures set forth in the regulation set forth above. **If you do not assert a confidentiality claim, when you submit your information to the EPA, EPA may disclose the information to the public without further notice to you.** You should read the above cited regulations carefully before asserting a CBI claim, since certain categories of information are not properly the subject of such a claim.

Definitions

The following definitions shall apply to the following words as they appear in the Questions below:

5. All terms not defined herein shall have their ordinary meanings, unless such terms are defined in the Clean Water Act or its implementing regulations, in which case the statutory or regulatory definitions shall control.
6. Words in the masculine may be construed in the feminine if appropriate, and vice versa, and words in the singular may be construed in the plural if appropriate, and vice versa, in the context of a particular question or questions.
7. The terms “and” and “or” shall be construed either disjunctively or conjunctively as necessary to bring within the scope of this Information Request any information which might otherwise be construed outside its scope.
8. The term “identify” means, with respect to a natural person, to set forth the person’s name, present or last known business address and business telephone number, present or last known home address and home telephone number, and present or last known job title, position or business.

9. The term “identify” means, with respect to a document, to provide its customary business description; its date; its number, if any (invoice or purchase order number); the identity of the author, addressee and/or recipient; and substance of the subject matter.

10. The term “identify” means, with respect to a corporation, partnership, business trust or other association or business entity (including a sole proprietorship), to set forth its full name, address, legal form (e.g., corporation, partnership, etc.), organization, if any, and a brief description of its business.

11. The term “Site” means the parcels of land owned and/or controlled by you and/or Respondent in Bay, Calhoun, Franklin, and Gulf Counties identified in Attachment A – Parcel List.

12. The term “Work” means any site preparation, land clearing activities, disking, ditching, dredging, side casting, roller chopping, road construction, stream crossing construction, mechanical land clearing, piping of streams, timber harvesting, excavating, pond construction, conversion to pasture and/or ranch lands, or filling activities that have occurred at the Site including such activities conducted in or near wetlands or streams.

13. The term “you” and/or “Respondent” shall mean AgReserves, Inc. d/b/a Deseret Cattle and Timber, Deseret Ranches of North Florida, LLC, and/or any company, entity, or corporation that owns and/or has directed, managed, or controlled Work at the Site.

Questions

Provide EPA with the following information or documents pertaining to the Site (responses may include paper and/or digital format):

Note: The questions start at number 27 because the December 20, 2019 Information Request Letter 308-2020-001 stopped at number 26.

27. Color and legible, higher-resolution (at least 300 DPI), and text searchable copies of all documents previously produced as “DCTProd01 – CBI”, and native copies of all previously produced PowerPoint presentations (i.e., .ppt or .pptx files).

28. Land use plans since Deseret acquired the Site including those referenced in the email DCT000318 produced by Deseret.

29. Any historical aerial photographs showing the location of any row crops and/or cattle ranches and/or leases on the Site before Deseret acquired the Site.

30. GIS shapefiles and/or ArcMap files showing the unit and/or cattle unit boundaries (“Units”) for all land owned and/or controlled by Deseret in Northwest Florida (including but not limited to Bay, Calhoun, Franklin, and Gulf Counties). For reference, the documents provided by

Deseret indicate that this land is divided into a small number of units, e.g., “Cattle Unit 10,” “the South end of Unit Nine,” et al.).

31. The date upon which Work was commenced within each Unit and the date upon which the Work was completed or is anticipated to be completed within each Unit.

32. Estimates of the total acreage of each Unit; estimates of the acreage, and maps showing the approximate locations, within each Unit that were replanted in timber since Deseret acquired the land within the Units, and separate estimates of acreage, and maps showing the approximate locations, within each Unit that have become pasture or feed areas since Deseret acquired the land within the Units.

33. A map of the Site showing when and where mechanical stump removal occurred on the Site and/or the “stump, pile, and burn” method identified in documents produced by Deseret was used on the Site (areas where stumps were removed instead of left to rot in place).

34. Estimates of acreage and approximate locations within each Unit where pre-merchantable timber was harvested after Deseret acquired the land from St. Joe but before Hurricane Michael.

35. The native ArcMap data layer files and/or other GIS data files used by Deseret to help inform when and where to perform Work on the Site, including but not limited to the following ArcMap data layers shown to EPA during meetings with Deseret: “Non-Plantable,” “DCT_NonPlantable_Base,” “Site Prep,” “Conversion Sites,” “Food,” “Land Use,” and “FLUCCS.”

36. A native copy of the most recent “DCT Conversion Map” referenced in the Pasture Conversion Standard Operating Procedure (“SOP”) documents produced by Deseret.

37. A spreadsheet and/or other document listing all Site IDs assigned to areas within the Site by Deseret’s GIS team, and copies of each GIS shapefile for all Site IDs within the Site showing the geometry of the area associated with each Site ID. For reference, documents previously provided by Deseret indicate that the Site IDs are based on the year the Work started and the last number used within that year.

38. The native ArcMap files and/or other data layer files that show the activity status of each Site ID within the overall Site. For reference, the “Pasture Conversion SOP” document produced by Deseret states that the activity within each site is tracked by attribute fields in the “Conversion Sites” layer, including “Planned,” “Active,” and “Completed.”

39. All conversion maps and/or reports (i.e., the conversion maps and/or reports referenced in the “Pasture Conversion SOP” documents produced by Deseret), including all maps showing stump age and a native copy of the most recent “Conversion Site Layer.”

40. Any paper and/or hard copy maps used by work crew foremen and/or contractors during Work on the Site and/or turned into Deseret's GIS team.
41. The original "Non-Plantable" map and/or GIS data layer file originally provided by St. Joe Company to Deseret.
42. A description of when and where areas on the Site were placed on or added to the Non-Plantable data layer after Work was done on the area by Deseret.
43. Copies of any onsite soil and/or wetland evaluations and/or Clean Water Act jurisdictional determinations performed before or after Work on the Site, including but not limited to any notes and/or reports of such evaluations and determinations prepared by Breedlove, Dennis & Associates.
44. All LIDAR data files and Digital Elevation Model ("DEM") files for the Site in the possession, custody, or control of Deseret.
45. Any Florida Land Use Cover Classification System ("FLUCCS") documents, including date(s) of data and acquisition date(s), level(s) used, land use code(s) used or excluded, land cover code(s) used or excluded and rationale for use and/or exclusion.
46. Copies of any electronic or paper correspondence regarding the Site since 2013 between agents and/or employees (including attorneys and consultants) of Deseret and agents and/or employees of the EPA, Army Corps of Engineers, and/or Florida Department of Environmental Protection.
47. Please identify the individual and/or individuals who prepared the responses to this Information Request.

At the end of your response to this information request, please include the certification by an authorized representative of Respondent that is set forth in the cover letter.

"I certify that I have personally reviewed the information contained in this response to the information request and the response is truthful, accurate and complete. I further certify that the response to the information request contains all documents responsive to the request. I am aware that there are significant penalties for submitting false information including the possibility of further enforcement under the CWA."
